4:00 PM – End of Meeting

Nathan Price

832-620-6385

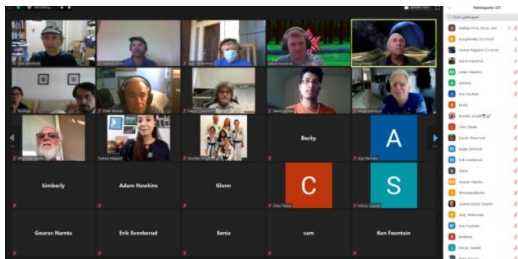

Nathan.Price@NorthHoustonSpace.org

NSS North Houston Space Society President and Founder. Nathan works for a software company but has a lifelong passion for space exploration. He has attended space conferences including the Interstellar Symposium, International Astronautical Congress (IAC), New Worlds Conference (in Austin, TX), and International Space Development Conference (ISDC). He has experienced weightlessness on a ZERO-G flight. He dreams of the day that humanity branches out into the stars.

Quick Introduction to the North Houston Space Society

NSS North Houston Space Society –
First meeting January 6, 2018

Monthly Meetings

Tours

National Space Society Vision

People living and working in thriving communities beyond the Earth, and the use of the vast resources of space for the dramatic betterment of humanity.

Join us:

<http://NorthHoustonSpace.org>

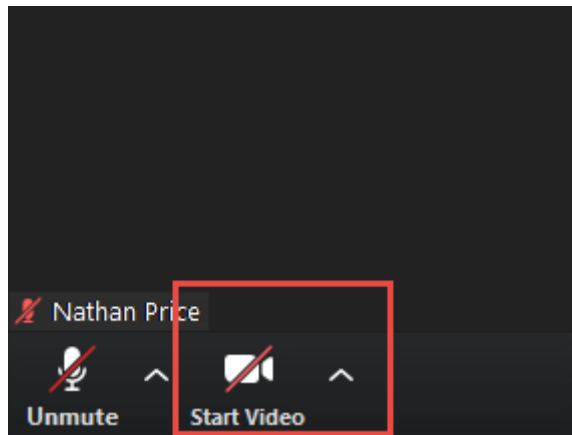

- Sign up for our email list
- Join the National Space Society
- Connect with others that share the vision of humanity branching out into space
- Educate and inspire our communities about the benefits to humanity!

Meeting IS being RECORDED
